Description

Antique Waltham full hunter pocket watch 1901. The watch has a seven jewel stem-winding movement, Traveler grade, which is working nicely. The movement is fully signed and the serial number 10726150 which dates it back to 1901. The movement is protected by an inner hinged cover. The watch measures 51mm diameter excluding the winding stem and the loop. The case is the gold filled. The case has light surface marking from use and a couple of light surface scratches to the inner covers. The winding crown pushes in to open the front cover. Inside, there is an acrylic lens which is in good condition. The signed dial is in lovely condition with blued steel hands, a sunken subsidiary seconds dial and outer minute markers. The watch comes in a new presentation box.
