Description

At 1.3 metres long, this fine and atmospheric scratch-built (Circa 1930's) wooden model of the LMS Royal Scot class, 4-6-0 6134 'Atlas' Locomotive, with its rich eye-catching hand-painted livery, instantly transports you back to the days of steam. Whether or not you are a train enthusiast, you cannot help but admire the time and love that has gone into its making - a wonderfully decorative and evocative piece.
