Description

A lovely wooden desktop inkstand dating from the early 20th Century. It is beautifully inlaid on both sides and comes with a pair of large glass inkwells and a removable pen tray. It is in good condition throughout and although it has been used it has been well looked after over the years. There are some small signs of age and use, a few minor knocks and marks but nothing detrimental and there are no major damages on the glass inkwells. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
