Description

A lovely example of a Georgian pill box dating from the late 18th Century. It is a cream colour with pretty floral decoration and an attractive pinched shape. The interior is white and there is no mirror. It is in good condition for its age. There are signs of age and use but no major damages to the exterior and the decoration is all in good condition. There is some internal crazing and some age related marks and small stains but otherwise it displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
