Description

A lovely Art Deco table lamp dating from the 1930s. It is made of chrome with a stylish round stepped base and a beautiful pale white opaline glass shade with a similar stepped design. It is in working order and has been rewired to modern standards to take a bayonet bulb (bulb not included). It is also PAT tested for electrical safety. We would advise using a low wattage LED bulb to prevent the glass shade getting too hot. The lamp stands approximately 19 1/4" (49cm) tall. The base is 5" (13cm) diameter and the glass shade is 5 1/2"(14cm) wide. It is in good condition for its age with no major damages. The chrome has tarnished and worn a little in places over time but it still displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £15.
