Description

This is a truly exceptional quality 19th century solid Rosewood desk. It is Italian in origin and has a striking design that will give the piece a real presence in any room. The Rosewood has incredible figuring and the fact is it solid timber throughout is a rare thing indeed. The barley twist stretcher and the thick legs are all rosewood. There are elements on bronze details all over the desk with minor losses but these are the only faults the piece has. Three drawers that all run smoothly and lock with a later key. The desk is all one piece. Height 78cm Width 179cm Depth 98cm Price includes UK mainland delivery
