Description

A rare Norwegian antique solid sterling silver and enamel box. It is hallmarked with the 925S Norwegian silver mark and makers marks of David Andersen. I would date it to c1910. It has been beautifully made and is in in super condition being free from dings splits distortions and repairs. The enamel is great, a very tiny piece missing near the front. It measures approx. 1.5 inches (3.8cms) across by 0.5 inch (1.3cms) tall and weighs 26 grams. A rare piece.
