Description

Well, this is gorgeous! A solid sterling silver pepper pot, realistically modelled as an owl, dating from the Victorian era. He is hallmarked for Sheffield 1851 with the maker's mark of Creswick & Co (Thomas, James & Nathaniel Creswick). The removable head is set with red glass eyes and is gilded inside. There are also partial hallmarks on the back of the head. He has a slight wobble but nothing that would warrant any concern. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility.
