19th century Dring & Frage Dock Rent Rule

Price

Sold**Item Reference: SA923751****Date of manufacture: 19th Century**

Description

A super boxwood 19th century rule by Dring & Frage. This dock rent rule was used to calculate the number of weeks between any two chosen dates. This is in good antique condition, all the figures, dates, months all clear. Brass sliding rule works well. There are two small slivers of wood missing, but this rule is a rare item.
