Description

An outstanding set of six Victorian silver dessert spoons and six dessert forks by the great George Adams. These desirable examples are in the rather rare Bead pattern and have a fine bird and snake armorial engraved to the top front of the forks and a single letter 'P' to the spoons. The pattern is single struck (front only) and the pattern is matched (forks 1868 and spoons 1873). Flatware is rather scarce nowadays due to the great losses, caused by the unscrupulous melting of antique silver for scrap. Therefore a complete matched set of twelve in a sought after pattern, is a good find. Dimensions below. Postage and packing £15.00 UK £22.00 Europe £28.00 Outside Europe Condition :- Excellent, with no holes or dents. The bowl tips and tines to all, are very good. Hallmarks :- Clear and readable. Date :- London 1868/73. Maker :- George W Adams. Length :- 17.5 cms. Bowl width :- 4 cms. (widest point).
