Description

Ebonised French Boulle Pier Cabinet - c1870 A charming example of a Victorian era Pier Display Cabinet. This cabinet has a warm original feel to the piece. The outer Boulle work is incomplete in places adding to the appeal and creating a visually rewarding effect. On each side there sits a handsome gilt metal figure casting. The interior is very clean and finished with a fitting painted surface. There is one central shelf. Overall the cabinet is nicely aged and has a gorgeous look. The whole sits upon a lower sculpted plinth. Please do not hesitate to contact us if you require further information - we are here to help and happy to discuss any offer or requirement you may have.
