Description

An antique stick pin (or scarf pin/lapel pin/tie pin/cravat pin) in nine-carat gold with a centre twist. The pin is topped with an oval terminal set in typical Georgian fashion with a lovely shining foil-backed pale greenish stone which tests within the aquamarine range. The pin is in very good condition. The stone is crisply faceted and abrasion free; under magnification there is a tiny chip to one corner but it's imperceptible to the naked eye. Size: 6 x 0.5cm. The stone measures approx 5 x 7mm. Weight: 1.0g.
