Description

A lovely antique George III mahogany card table made in England & dating from around the 1790 period. It is of great quality and is a very useful size. When closed it is perfect for use as a console table against a wall. One of the back legs swings open and the top unfolds to reveal a circular baize lined playing surface. The mahogany has a lovely rich patina, this sits on tapered legs terminating in spade feet. We have had this re-polished, it is in very good condition for its age, with some old wear seen here and there beneath the polish, commensurate for age. Width – 33 inches , 84 cm Depth – 16 inches , 41 cm Height – 29 inches , 72 cm
