Sold**Item Reference: SA923986****Date of manufacture: Victorian**

Description

A super silver hare paperweight by Sampson Mordan. A great study of a hare sitting up on a Connemara Marble base, glass eyes. There is no damage to the base, no cracks or chips, only natural striations. The Hare is clearly marked on the feet. London 1898 SM&Co, this has actually been struck twice, The red baize covering to base is probably a later addition to stop it marking a surface. Hare H 6 cm W 3 cm Base 2 cm deep Diameter 9.5 cm
