Description

An exceptional Mahal wool carpet, both in terms of the design and colours. The colours are all exquisite, derived from natural dyes, while the repeating floral design is executed in an elegant and stylish manner, ideal for living areas or a study. This carpet has survived the generations in truly excellent condition, with only minor traces of use. The original ends are intact and the pile is even and glossy. We have cleaned this carpet and it is ready for immediate use. A tour-de-force.
