Description

Circa 1900-1930 a fine quality and unusual brass open twist candlestick in a purpose made brass tray with copper screws, and a shaped handle at the side. The whole item measures 28cm in height and across at the widest part it is 24.5cm. The tray is 20cm in diameter and approximately 2.5cm in height. It is in very good condition, and we have just put another, virtually identical item on the website at the same price. A pair would look good together in a home. Postage and packing for the UK mainland only is included in the price and for outside areas or abroad please contact us for a delivery quote.
