Description

Good quality cast bronze lamps with opposing classical female figures to both the front and reverse of the main body. The lamps have been waxed to enhance and protect the original patinated bronze finish which has marks, discolouration and rubbing in places consistent with their age. The electrical fittings have been replaced with new ones and the lamps have been rewired using new gold coloured 'vintage' style braided 3 wire electrical cable and are in the process of being PAT tested. The switched bayonet bulb holders are of standard size. The inside edge of all of the handles is stamped H E. Height to top of bulb holder 51cms, maximum width, outside edge of handle edge to outside edge of handle some 19.5cms, maximum depth approximately 15.5cms. Unpackaged weight of each lamp some 5.4kgs.
