Description

A magnificent antique deep buttoned leather Chesterfield sofa of the highest order. This was made in England, it dates from around the 1930's. The quality is outstanding, this is very well built and heavy. It has a bold shape, is comfortable and supportive. It is getting very difficult to find Chesterfields of this quality, especially with buttoned seats. We have had this hand coloured and revived by our leather restorer, it has an absolutely gorgeous colour tone and patina. The all round condition is excellent for its age, with only some very minor age related surface wear. There are no rips or tears. Width – 83 inches , 211 cm Depth – 36 inches , 92 cm Height – 29 inches , 74 cm Seat height – 16 inches , 41 cm
