Description

A beautiful antique Queen Anne style desk in walnut. This was made in England, it dates from around the 1920's period. The quality is excellent and this is a very useful size; compact yet with plenty of workspace and storage space. There are beautiful original brass handles and escutcheons, this sits on cabriole legs with shell carved knees. It has a lovely inset leather top and is nicely finished on all sides, so can be used as a free standing piece. We have recently had this re-polished, the condition is excellent for its age, with some minor wear remaining beneath the polish here and there.
