Description

A stunning pair of antique French salon armchairs in solid walnut. These were made in France, they date from around the 1920-1930's. The quality is outstanding, the frames have an absolutely gorgeous and shapely design. There is crisp floral carving throughout, embellished with gold. They are comfortable and have a very generous seating area. We have had these re-polished and re-upholstered in our cream cotton fabric. The condition is excellent for their age.
