Description

** c1850 Windsor Elm & Yew Country Chair - Yorkshire Style c1850 This Windsor chair is a fascinating piece and very charming indeed. In addition to the images below we have also included in the listing a section from the 1979 John Andrews 'Price Guide to Antique Furniture' showing a near identical chair and outlining a little about the 'Yorkshire' design. This piece has been well treated and the wood grain across the seat is gorgeous. The chair is solid and naturally a very comfortable place to sit. The seat height is good at 43cm making it easy to get in and out of. This chair will make a lovely addition to any setting and is ready to give another 150 years service! Please do not hesitate to contact us if you require further information or wish to discuss an offer. Please see the images for the dimensions of this item. As with all our antiques this lovely chair is supported by our 100% satisfaction guarantee.
