Description

Regency Chest of Drawers - c1820 This Regency set of drawers are in lovely order. The mahogany is a fabulous colour and the quality is obvious. The layout is '2 over 3' with the drawer design graduated as the drawers progressively increase in depth the lower that you look. Top pair = 14cm height Second tier = 18cm height Third tier = 19cm in height Lower tier = 20cm in height The stepped molding under the top edge profile looks wonderful. The 'un-fussy' lower plinth is classic and much in demand. This chest will look great in any room of the house. Overall a fine chest with great colour which offers superb storage space.
