Description

A good example of a solid Sterling Silver pepper shaker. It is a stylish piece of cylindrical form with a pierced top. It is good quality and unusual in its design to have a threaded top. It weighs approximately 62g. It is clearly hallmarked for London, 1935 and the maker Edward Barnard & Sons. It is in very good condition for its age. There are some faint surface marks and minor dinks but nothing detrimental and overall it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
