Description

This is a very nicely painted oil on board by Wini Buzzard c.1930. It is titled 'The Japanese Doll'. It is done very well with great quality in the finish and colours used. It has a particularly haunting look not just down to the subject but with the quality of the way it has been done. Housed in a later frame which highlights the piece perfectly. It has great depth and a real decorative appeal. Height 46cm Width 41cm Price includes UK delivery
