Description

This is a very high quality painting by renowned Spanish painter Carlos Tauler. His work in the late 20th century was selling for upwards of £10,000. Unfortunately that isn't the case today but there is no denying the quality of this work. This painting is an oil on canvas still life of Bottles on a Table. The condition overall is superb with a perfect use of colour and texture to make this a hugely decorative piece. We can frame paintings should you like.
