Description

A beautiful solid silver Indian table trinket box. It is unmarked but tests as high grade silver. I would date it to c1920. It has been beautifully hand made embossed and chased with a leaf design and animals. It is in superb condition being free from dings splits chips cracks and repairs, two tiny holes on the seem, near impossible to see (final photo). It measures over 2 inches (5.4cms) tall by 2 inches across the lid and weighs 48 grams. A superbly designed high quality example.
