Description

A gorgeous original antique French bombe chest of drawers in burr walnut. This was made in France, it dates from around the 1890-1910 period. It is a lovely petite size, with plenty of storage space inside the two deep drawers. The bombe shaped design is extremely beautiful, this sits on cabriole legs and has a serpentine shaped front. The burr walnut grain patterns are stunning throughout, and this has a wonderfully rich colour tone. It looks like this has been recently re-polished, the condition is excellent for its age.
