Height = 73 cm (28.7")

Description

Circa 1825. A good George IV Scottish mahogany circular snap top dining table. The solid top, mellow in colour with ribbed foreedge, to the underside is a double clasp for locking the table in position, and a locking arm for keeping the table open. The table rests on a bulbous stem with four large hipped saber legs which finish with a carved toe with scrolling foliate work on the front and sides. The table can seat 8 people. 148cm Dia, 73cm H

Internal Ref: 31494
