Description

DESCRIPTION A stunning and rare Victorian 18ct yellow gold natural old cut diamond large 5 stone ring with wonderful large deep old mine cut diamonds. This is a very early Victorian ring, a very rare example **HALLMARKS** Not Hallmarked but tests as **MEASUREMENTS** Old cut diamonds; 4.5 - 5.5mm. These diamonds are absolutely superb. The diamonds are evenly matched and wonderful clarity and colour. The diamonds are very clean indeed, approx H-J and clarity VS2. The diamond content weighs approximately 2.6-2.8ct. The diamonds spread approximately 0.80, 0.60, 0.60, 0.35, 0.35ct but these are nice old cut stones with great depth to account for further diamond content. Ring head diameter; 23 x 8mm. This is such a stunning design, a rare find, beautifully intricate. **WEIGHT** 6.2g **CONDITION** Good condition, minimal signs commensurate of age. This is a stunning ring with very beautiful deep cut diamonds. A considerable insurance valuation. **RING SIZE** GB M1/2 US 6 3/4
