Height = 1.4 cm (0.6")

Width = 4 cm (1.6")

Description

A beautiful solid sterling silver and enamelled brooch. It is marked the Norwegian 925 standard mark along with the markers mark of Aksel Holmsen who operated in Sandefjord from 1932. It has been beautifully designed being enamelled with a hand painted image of a landscape with moose. It is in superb condition being free from dings splits and repairs. The enamel is free from chips cracks and repairs. It measures approx. 1.5 inches (4cms) across by 0.5 inch (1.4cms) tall and weighs 4 grams. A superbly made top quality piece.
