Price

Sold**Item Reference: SA925104****Date of manufacture: 1890**

Description

Victorian silver watch chain and fob. The chain measures 33cm long including the T-bar and clasp. The intermittent twisted loops are a nice feature, and a little more unusual than the standard Victorian chain. Each of the links has the lion silver mark. The T-bar is not hallmarked although it is silver, probably a later replacement. The clasp is hallmarked but difficult to read the date letter. The chain comes with a later silver fob hallmarked for Chester 1912. Total weight 50g. ALL PRICES INCLUDE UK POSTAGE.
