Description

A super edition of the Royal Bijou Birthday Book with a wonderful art nouveau silver cover. This is in great condition. The leather binding is in really good order, the gilding to the page edges is near perfect. Front and back inside covers lined in marble paper. Hallmarked to the front on the bottom edge. Birmingham 1905 cant quite make out the maker. Silver is in really good condition with little wear to the elaborate decoration, one tiny ding which can be seen in the picture near the top.
