Description

A lovely original Georgian period mahogany side table. This was made in England, it dates from around 1790-1810. It is a useful size and is of lovely quality. The solid mahogany oval top sits on a solid mahogany tripod base. This has a beautiful colour and has acquired a gorgeous patina over the years. We have recently had this re-polished, the condition is very good for its age. There are various small marks and bumps beneath the polish here and there, commensurate for age.
