Description

Pair Victorian mahogany bedside chests This pair Victorian mahogany bedside chests were made circa 1870. Each bedside chest has 4 graduated drawers, all with their original turned knob handles. Pairs of bedside chests/cabinets are incredibly hard to source, as they were not made at the time as people had a different lifestyle, and so were not required. Cabinetmakers adapted large Victorian dressing tables that are/were redundant for the modern home and made them into items that are relevant for today's modern home. 39cms wide 15 1/2ins 42cms deep 16 1/2ins 66cms high 26ins All dimensions are approximate, whilst we take as much care as possible, we can be marginally out. Delivery UK mainland FREE Other destinations please contact us, and we will get a quote. We use a professional Removal company to transport our precious items and do not entrust them to usual parcel services. Therefore, delivery may be 7 -10 days, but it is worth the wait of course. On occasions customers have been disappointed to miss an item as they e-mailed their enquiry instead of phoning, I would recommend that if you wish to get the piece, please call rather than e-mail. We are very friendly and easy...
