Description

A super quality good sized rare Indian solid silver menu holder. It is un marked but tests as high grade silver. I would date it to c1900. It has been superbly made being in the form of a coiled cobra snake. It is in superb condition being free from dings splits and repairs. It measures approx. 2.5 inches (6.5cms) tall by 2.25 inches (5.7cms) across the base and weighs 58 grams. A top quality example.
