Description

An excellent and unusual antique Edwardian nest of three tables in mahogany. These were made in England, they date from around the 1900-1910 period. They are beautifully made and each top is perfectly circular. There is nicely carved detail around the top edges, these sit on lovely solid mahogany stretchered bases. The mahogany has a gorgeous colour and patina, with stunning grain patterns. We have had these recently re-polished, they are in excellent condition for their age.
