Description

UK POSTAGE ONLY FOR THIS ITEM Gents Omega Art Deco wrist watch, 1939. The watch has a calibre 23.4 15-jewel hand-winding movement which is working nicely. The movement is fully signed and the serial number 9097876 dates it back to around 1939. The watch is a good wearable size at 25mm wide excluding the winding crown and 33mm high excluding the lugs. The case is gold plated, it is probably 18ct gold plated judging by the colour. The case has a little wear and marking but overall the condition is lovely. The inside of the case back has the early Omega logo. Later signed winding crown. The glass lens is in lovely condition. The signed dial is in a handsome two tone finish with blued steel hands, a subsidiary seconds dial and inner minute markers. There are traces of the words De Ville over the sub seconds dial but it is difficult to read. A new leather strap has been fitted. The watch comes in a vintage presentation box from a Manchester jeweller.
