Description

A particularly good antique 19th century Welsh oak corner cabinet. The antique oak corner cabinet has two glazed cupboard doors to the top, which open to reveal a painted three shelf interior. To the base is a two door cupboard that opens to reveal a single fitted shelf. The antique oak corner cabinet separates at the mid section into two parts for ease of transport. Item Ref; M-4269 . DIMENSIONS: Height – 202cm / Width – 121cm / Depth – 83cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the front (pictured), and further marks and stains to the interior shelves and glass panels (pictured). There are also losses to some of the veneer, and minor repairs to the beading (pictured). The antique corner cabinet remains structurally solid and sound, with the glass intact. Overall, a good example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
