Description

A large and very impressive antique mahogany coffee table in the Georgian style. This was made in England, it dates from around the 1920-30's. The quality is outstanding and it is a very useful size. There are two drawers on one side with fine hand cut dovetailed joints. This sits on turned and fluted solid mahogany legs, with fine quality brass handles and casters. The mahogany colour tone and grain patterns are gorgeous, the top is also cross banded with rosewood. We have recently had this re-polished, it is in excellent condition for its age.
