Description

A charming and very early antique Georgian period side table in mahogany. This was made in England, it dates from around 1790's period. It is a lovely size and is full of character. The mahogany has a gorgeous colour tone and a very heavy patina, with various surface marks here and there beneath the polish. There is a single drawer and this is polished on the back, so can be used as a free standing item. We have had this re-polished and revived, it is in good overall condition and structurally sound, while retaining the original patina. Width – 14 inches , 36 cm Depth – 12 inches , 31 cm Height – 19 inches , 49 cm
