An excellent set of antique Sheraton style shield back dining chairs in solid mahogany. These were made in England, they date from around the 1930's. The quality is superb, they are all very sturdy and well built. The pierced shield backs have intricate carving with Prince of Wales feathers. The seats have serpentine shaped fronts, these sit on tapered legs with spade feet and double stretchers for extra stability. There are six straight side chairs and two carver chairs with arms.
