Description

A beautiful German solid silver pill or snuff box. It is hallmarked with the German crescent moon and crown mark along with the 800 standard mark, I would date it to c1940s. It has been beautifully made with the lid being decorated with a basket of flowers. It is in super condition being free from dings splits holes and repairs, the inside is clean and gilded and the top closes tightly. It measures approx. 1.5 inches (3.8cm) across by 0.75 inches (1.9cm) tall and weighs 30 grams. A very pretty piece.
