Description

This stunning pair of candlesticks have been overhauled by my silversmith, re-plated to give years of decorative pleasure in their new home. They are quite statuesque, standing 12" tall with a base size measuring 5 1/2" square, a good impressive size. Each has a very regal looking engraved armorial crest adding to their appeal. Excellent condition having been re-fitted with green baize undersides to protect your furniture. Item ID: 32605
