Description

~ French - Circa 1870 ~ ~~ Excellent condition, fully overhauled ~~ A stunning original antique French Rococo clock. It is beautifully sculptured with finely finished scrolls, curves and acanthus leaves in finely gilded bronze. Panels backed with red fabric lighten the design. The reflection of pendulum can be seen gently swinging above the polished base. The dial is porcelain enamel on copper with finely fretted gilt brass hands. The bezel is glazed with convex glass. The rear door is also glazed to allow the movement to be seen and the clock is decorated in the round allowing you to display on a table or in front of a mirror. The French movement is of high quality. It is in excellent clean and running condition having been fully overhauled by our clockmaker. Pendulum is a replacement. It runs for 8 days and strikes the hours and halves on a bell. We have a video of the clock running, please ask and we will send you a link. Condition of the case is excellent, the original gilding is beautifully clean and bright with slight wear and discolouration. There are some light marks to the base. The dial is also in excellent condition with no damage. There are some slight ch...
