Item Reference: SA928185**Date of manufacture: Edwardian**

Description

This lovely antique Edwardian sterling silver dressing table tray was made by William Hutton & Sons and hallmarked in Birmingham 1906. It is in very good condition, of rectangular form and with scrolled and foliate decoration throughout. To the centre is a floral motif incorporating a vacant cartouche. Hallmarks are clearly struck and the tray has been made with a good gauge of silver. A very attractive tray from these well respected silversmiths. (NB any shadows shown in the photographs are merely reflections) Weight 298 gms (9.6 ozs) Length 29.5 cms (11.75 ins) Width 21.5 cms (8.5 ins) FREE INSURED POSTAGE WORLDWIDE
