Description

A beautifully made solid silver bookmark. It was made in Norway or Denmark being hallmarked with the 830S silver mark. I would date it to c1920. It has been beautifully made having an Arts and Crafts or Nouveau design and is in super condition being free from dings splits and repairs. It measures approx. 3.25 inches (8.4cms) long and weighs 6 grams. A very nice quality unusual piece.
