Description

Antique Victorian Demi-Lune Table - c1880 This is a Victorian Demi-Lune Table in lovely old warm Victorian pine. The table is nicely sized and wears the years of use with pride. This table is solidly constructed and fully functional. It will look great wherever it is located and perfect with a vase of flowers or a table lamp. The pictures below give a good representation of the pine colour - it has not be varnished or ruined with stain. There is one small nick at the right hand side rear which you can see in the photo - it does not distract from the piece in any way. An unusual & pleasing piece of furniture. Please see images for full dimensions Any questions please let us know either by email or on the telephone number below - we are here to help. We offer a 100% satisfaction guarantee
