CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, fading and shrinkage to the top (pictured), further marks and fading to the front (pictured). There are also splits to the back (pictured), however this doesn't affect the overall integrity of the product. There is evidence of historic woodworm, this is now long gone and has been fully treated as a precaution. The antique oak lowboy remains structurally solid and sound, with the drawers running well.
