Description

A very tall & wide old pine wardrobe (Circa: 1880) with 2 doors, which totally dismantles for delivery, so should go up any stairway. With an internal depth of 20.5", deep enough for large coats/suits etc. The doors and sides each beautifully panelled with 3 panels. Small Cornice top. It currently has a shelf inside near the top, with an old wooden rail below. I could fit a new brass rail instead for you if required. Solid and sturdy, in very good condition for its age, currently in bare wood having recently been stripped of its original paint. Can be purchased as it is for £1200, or £1325 if you'd like us to wax it for you. Prices include the fitting of a new brass hanging rail as required - great for storing lots of clothes! Height: 85", width: 74", depth: 25", internal depth: 20.5"
