Description

This is a very fine Art Deco mantel clock in beautifully figured walnut. A contrasting open fret chromed chapter ring with arabic numerals and a chromed bezel with convex glass. The clock retains it's original French polished finish and has a lovely, warm, rich patina. The 8 day movement strikes the Westminster Chime on the quarters and the hour. It strikes on rods and has a wonderful crisp tone. It is fitted with a Strike/Silent button. It has just been fully overhauled by our Bhi registered staff and carries our usual 12months full parts and labour guarantee. A lovely example from this very elegant era. All cards accepted.
